Company Overview

The Bennett Family of Companies isn't just another logistics provider—we're your strategic partner in movement. Based in McDonough, GA, our asset-based solutions have earned us the **#1 spot** among Atlanta Business Chronicle's **"Top 25 Woman-Owned Companies"** for **15+ consecutive years**.

What began in **1974** as a modest regional carrier has transformed under President and CEO Marcia Taylor's leadership into a global operation with **3,000** dedicated contractors, agents, and employees delivering award-winning transportation solutions worldwide.

At Bennett, we turn complex logistics challenges into seamless success stories.

Bennett's Family of Companies provide:

- Over-the-road Trucking throughout the U.S. Mexico and Canada
- Export/Import Services
- Project Logistics
- Crane and Rigging services
- Vehicle Transport Services
- Warehousing/ Distribution
- Manufactured Housing/ RV Transportation

Safety Runs in Our DNA

At Bennett, safety isn't just Priority One—it's who we are. Every day, we own the responsibility of protecting lives on America's highways. It's a commitment that drives everything we do.

Over **\$2 Million** Invested Annually in safety incentives for our Owner Operators and Company Drivers –because we reward what we value most

AWARENESS

- **Monthly Safety All-Calls** streaming live on Facebook-keeping our entire fleet connected
- **Boots-on-the-ground safety meetings** across the U.S. because face-to-face matters
- **Quarterly online safety sessions** - staying ahead of industry challenges

ACTIONS

- **Veteran Safety Directors** embedded in every company - expertise where it counts
- **Daily dispatcher** - led safety huddles with real CSA insights
- **Pre-departure high-pole meetings** - ensuring every journey starts right
- **Thorough credential checks** and hands-on yard training
- **Dedicated High-Risk Review teams** - because prevention is protection

ACHIEVEMENTS

- **13-year winning streak:** SCRA Safety Excellence Awards (2006-2019)
- **2018 TMSA Compass Award Winner** for Safety Branding Excellence-

Together We Move Anything-Safely. When you partner with Bennett, you're choosing a team that puts safety first, every time!

BENNETT

ORNL & Bennett Collaboration

Bennett signed a collaboration agreement with Oak Ridge National Lab in September 2024 to provide all necessary services, qualified personnel, material, and equipment needed to perform the Statement of Work. The objective is to provide technical scopes for NNSA, related to reducing risk of nuclear and radiological terrorism by collaborating on the following:

Threat Mitigation

Work with ORNL to develop and participate in an insider threat mitigation program

Testing

Work with ORNL on piloting a new program (Secure Route) and provide feedback

C Star

Technology that monitors vehicle sensors and computers to detect anomalies such as bumping, towing, and tipping

Technology & Training

Cyber attack detection and mitigation technology and work with ORNL to develop or enhance transportation security related training

International Capabilities

Bennett is an IATA approved, C-TPAT certified, non-vessel operating common carrier (NVOCC), customs house broker, freight forwarder and logistics provider. We offer air, ocean and ground services through our own offices and network of global partners in 105 countries worldwide.

Air & Sea

- Daily Air Consolidations & Expedited Services
- Air Chartering
- Weekly LCL & FCL Consolidations
- Multi Carrier Contracts, Global Rate Negotiation
- Services to meet our customers' needs
